

RAJENDRA SINGH BISHT

9389727637 — rajendrasinghb560@gmail.com — linkedin.com/in/mr-rajendra — Haldwani, Uttarakhand

PROFESSIONAL SUMMARY

Motivated Computer Science graduate and MCA student currently pursuing the 3rd semester, with a strong foundation in programming, databases, web development, and data analytics. A fresher seeking an entry-level Computer Science teaching opportunity in a school environment. Passionate about explaining technical concepts in a simple and engaging manner and helping students develop programming, logical thinking, and problem-solving skills. Interested in practical and project-based learning.

EDUCATION

COER University Roorkee, Uttarakhand <i>Currently Pursuing – 3rd Semester</i>	Master of Computer Applications (MCA) 2025 – 2027
--	---

COER University Roorkee, Uttarakhand CGPA: 8.51/10	Bachelor of Computer Applications (BCA) 2022 – 2025
---	---

TECHNICAL SKILLS

Programming	Python, C, C++
Web Development	HTML, CSS, React, Tailwind CSS, DaisyUI, Express.js, Socket.io
Database	MySQL
Data Analytics	Microsoft Excel, Advanced Excel, Power BI, Python
Computer Science	Programming Fundamentals, Object-Oriented Programming, Database Management, Data Analysis, Problem Solving
Tools	Git, GitHub, VS Code, Power BI, Microsoft Excel

PROJECTS

Sales Analysis Dashboard	<i>Advanced Excel, Power BI, MySQL</i>
---------------------------------	--

- Developed an interactive dashboard for analyzing sales performance, trends, and key business metrics.
- Used MySQL for data handling and Advanced Excel for data cleaning, analysis, and preparation.
- Created Power BI visualizations to present analytical insights in a clear and interactive format.

Customer Churn Prediction and Analysis	<i>Python, MySQL, Excel, Power BI</i>
---	---------------------------------------

- Analyzed customer data to identify patterns and factors associated with customer churn.
- Used Python and MySQL for data processing, analysis, and preparation.
- Developed Power BI dashboards to visualize churn patterns and communicate analytical findings.

Real-Time Chat Application	<i>React, Express.js, Socket.io, Zustand</i>
-----------------------------------	--

- Developed a real-time chat application supporting live communication using Socket.io.
- Built the frontend using React, Tailwind CSS, and DaisyUI.
- Implemented backend functionality using Express.js and managed application state using Zustand.

CERTIFICATIONS

- **Excel and Power BI Certificate** – Infosys Springboard
- **Career Essentials in Generative AI** – Microsoft & LinkedIn
- **Claude Code in Action** – Anthropic

TEACHING-RELATED STRENGTHS

- Strong interest in teaching Computer Science to school students.
- Able to explain technical concepts in simple, structured, and student-friendly language.
- Interested in teaching Python, C, C++, HTML/CSS, databases, and computer fundamentals.
- Comfortable with practical programming exercises and computer laboratory activities.
- Interested in project-based learning and technology-oriented student activities.
- Patient, adaptable, and enthusiastic about learning and working with students.
